

Work Permit Forms and Procedures.

Students may download the *Intent to Employ a Minor* form (form B1-1) from our website. Once the top of the form is completed by the student and future employer, the form must be submitted in person to the Associate Director of Student Services to confirm that the student is in good academic standing and for the student's work hours to be confirmed. A work permit will then be completed and given to the student to present to the employer.

Student work permits are issued on a restricted basis and require that students not work more than 4 hours per school day and 24 hours per week during the academic year.
